

# JEFX Role in Millennium Challenge 2000

U.S. Joint Forces Command partners with services to provide a joint context for experimentation and to leverage major service field experiments like JEFX to enhance the joint experimentation learning process

**MC '00 is the first large scale Joint Warfighting Experiment, a key step toward Joint Vision 2020**

## FOCUS: Rapid Decisive Operations

- Joint Interactive Planning
- Attack Operations Against Critical Mobile Targets
- Adaptive Joint Command and Control
- Common Relevant Operational Picture

## JEFX 2000 Play in MC '00

MC '00 will leverage JEFX 2000 initiatives and events to:

- Explore collaborative planning between the JFC and CFACC staffs for time critical targeting
- Expand information sharing and reporting of theater medical and biological events
- Share battlespace awareness using Integrated Data Management, Global Broadcast System and Info Workspace linkages
